Dear Gimlet Brother:

I ask that you accept my personal invitation to become part of the Gimlet Brotherhood by way of membership in the Gimlet Association 21st Infantry Regiment.

The brotherhood must work united vigorously building the Gimlet Association 21st Infantry into a hallmark military fraternal organization that will be recognized worldwide. Take this opportunity to become member of the Gimlet Brotherhood by joining the Gimlet Association 21st Infantry today. Help the association achieve that goal while maintaining the heritage and traditions thereof. Presently, the association boasts a robust membership roster of individual Gimlet Brothers, past and present. Gimlet Brothers assigned to 1st and 3rd Battalions (STRYKER), 21st Infantry Regiment, 25th ID, fall under blanket Master Membership documents. Let us all work together to double individual membership, thereby forming a stronger brotherhood.

Older Gimlets owe it to our younger Brother Gimlets to help them preserve the rich heritage and traditions of the 21st Infantry Regiment (Gimlet). Building the Gimlet Association 21st Infantry is a monumental task, requiring vision and leadership. The association is continually looking for new members with boundless vision and extraordinary leadership skills to make the association flourish.

The association needs an infusion of new blood! The association needs individual members who want to become active in the association, thereby building the association into a centerpiece national military alumni organization that other organizations will surely want to emulate. I ask that you accept my personal invitation to join the Gimlet Association: an organization that represents the 21st Infantry Regiment (Gimlet). Become a proud Brother Gimlet and let other brothers know you are a proud member of the ever growing Gimlet Association 21st Infantry. Who knows, you might possibly connect with a Gimlet Brother with whom you proudly served while on active duty. As a Brother Gimlet I ask that you accept my special invitation by taking a positive step forward: become a proud member and then help recruit other Gimlet Brothers.

## “DUTY”

In closing, I ask that you embrace this opportunity to become a part of the Gimlet Brotherhood and Gimlet family by joining the Gimlet Association 21st Infantry. I hope you will take a few moments to review the membership packet and then complete the enrollment form enclosed herein. Give careful consideration to the meaning of “Bonds of Brotherhood,” and then activate your membership in the Gimlet Association 21st Infantry. Enrollment takes only a few minutes. Once the enrollment form is complete return only the enrollment form portion to association headquarters electronically via e-mail or send it directly to association’s national headquarters by way of USPS mail. Once the form is received you will receive a welcome letter within a few days with your individual identification number. Then pass the membership packet onto a Brother Gimlet inviting that person to become an active member of the association.

I eagerly await your positive response along with the completed enrollment form. Remember the association operates on donations only. Presently, there are no dues.

Respectfully,

**R. Mitch Mitchell**

### **Bonds of Brotherhood**

The Bonds of Brotherhood are eternal. Don't lose touch with your Gimlet Brothers with which you proudly served. Only soldiers who have shared the military experience of serving together in American's armed forces are aware of the fraternal Bonds of Brotherhood that bind them together forever. Gimlets who have endured the rigors of training, readying for combat, sharing the trials and tribulations thereof, and then survived combat, are tied together forever by that special bond of brotherhood. Gimlets of 21st Infantry Regiment who forged those bonds of brotherhood with their blood, sweat and tears share an everlasting bond: Gimlet Brotherhood. There is something special about the Gimlet Brotherhood that Gimlets share. The saying goes in the 21st Infantry Regiment (Gimlet), "Once a Gimlet, always a Gimlet." And that is true throughout a Gimlet's life and into death – the bond is an eternal one.

***Bore Brother Bore!***

### **Gimlet Prayer**

“Lord, hold all our Gimlet Brothers as well as all American soldiers throughout the world in your loving hands. Bless, Comfort and protect them while they stand ever vigilant ready to make the ultimate sacrifice defending and protecting our nation, its people, and our way of life. Bless them and their families for the selfless acts they perform each and every day, so families throughout the world can live free of oppression and tyranny. Amen.”
